Important update for The Marquis Project by-laws and constitution

At the April 2016 Marquis Project board meeting, the following motion was proposed:

To approve amending The Marquis Project by-laws to alter the text "A President may serve for no more than two (2) years" to "The President may serve no more than two (2) consecutive terms."

This motion was passed unanimously by the Board of Directors, and as per our constitution requires a vote of the general membership with 2/3 support to be implemented.
